Questions.

20,

None

Computer Lab needs to be revamped. The library doesn't look like a top management school library. Books are lying everywhere on counters, tables etc. Hope the feedback will be taken positively. Thx

The institute needs to revamp the infrastructure

There is huge scope for improvement in infrastructure.

Need to do improvement in infrastructure

More industry interaction is required, more student oriented activities be organized.

Better ambience in Library, Computer lab. More funding for publication.

Infrastructural Facilities for all stakeholders are insufficient. Institute should adopt 5 days per week norm to increase productivity.

We need to upgrade the class rooms
