Meeting of Meeting

Modern Education Society's Neville Wadia Institute of Management Studies & Research	IQAC Meeting	Period : First Term of AY 2019-20
Date of Meeting : 22/03/2019 Time 12.30 pm		
Agenda for the Meeting :		
Sr. No.	Review of previous IQAC meeting held on 23/06/2018	Action By
1.	Review of NAAC accreditation result NAAC accreditation result B grade with 2.03 CGPA with peer team peer team report and criteria wise analysis and SWOT analysis of the institution are discussed.	Dr. A. B. Dadas, Director
2.	Review of recommendations given by Peer Team for Quality Enhancement Dr Dadas sir has suggested to establish a strong connection with industry and to develop a platform where student can get exposed to the practices in the corporate world and he also suggested. More tie-ups should be done with industries, so that students can work on live projects and internships. Mr. Y. Upadhyay suggested that more industrial visit should be planned. Group discussions and student presentations can be kept after industrial visit. Mr. Y. Upadhyay suggested that different subjects should be offered to students to more the bouquet of subjects more choice worthy. Mr. Ashwin megha suggested that research and publication is one of the area where the faculty and students needs to work ok and improve. Faculties should focus more on selected area of research rather than focusing on broad theme. It is important from the future perspective that the faculties will be graded on the basis of	Dr. A. B. Dadas, Director

	<p>the quality of their publication. So research papers should be published in UGC listed and Scopus listed journals.</p> <p>The faculty should also apply to recent schemes which are offered by different departments and non government agencies.</p> <p>Mr. Y. Upadhyay suggested that institute should collaborate with prominent NGO so that the students and faculties can work on specific issues and problems face by the society with the help of selected NGO. The NGO and its the spear of working should be selected on the basis of its coherence with the vision and mission statement of the institute. It should be a regular and more systematic activity.</p>	
3.	<p>Action plan for quality enhancement as per recommendation of Peer team</p> <p>IQAC should have more systematic approach of collecting the event files from the event coordinator.</p> <p>Quarterly review meeting should be held for the work contributed by the faculty in the area of their interest. Should interact more with industries for or becoming aware about the trends prevailing in the industry.</p>	IQAC Coordinator
4.	<p>Review of Placements of students and status of student support.</p> <p>Placement opportunities Dr. Dadas suggested that the institute should work on platforms like LinkedIn. Student should have personal profiles on professional networking sites and Converse with people from desired company or industry and built the profile accordingly.</p> <p>Mention that more jobs are coming in the area of digital marketing for marketing specialisation students, so add on course</p>	TPO

	with more detail knowledge of digital marketing should be offer to the students.	
5.	Review of feedback from the stakeholders Student, Employer, Faculty, Industry	IQAC Coordinator
	The feedback given by the concerned stakeholders for the curriculum infrastructure and other processes was discussed and reviewed. Areas of improvement were identified.	
6.	Review of academic results and use of ICT in teaching learning process.	IQAC Coordinator
	The policy should be prepared by IQAC for use of ICT for various aspects by teachers. Study material should be generated in the form of virtual notes and videos and they should be uploaded on the website of the institute. The results examination satisfactory and no measured aviation were found.	
7.	Any other points, with permission of members.
