5. The institute needs more linkage with outside stakeholders for better networking . This would lead to exchange of ideas among teaching community, Joint research activities, joint organization of conferences, seminars and workshops, student & faculty exchange.
6. The students should undertake part –time internships
7. More activities on IPR, Community development can be planned.

Recommendations:

1. Institute should organize FDP, workshops on Research Mythology, data analysis, Institute should apply for PhD course work which will make faculties and students aware about various facets of research like analysis, publication, research design.
2. Website should be updated to make it more dynamic with regular updates and make it more student friendly.
3. The Institute should sign MOUs with National and International Management institutes, Universities, training organizations, corporates to improve linkages.
